

# Beamie

tracking. simply sorted.

by *m'x* | TELEMATICS

## Great Price

You get revolutionary technology at a great price!

## Wireless

Makes it easy to hide, without affecting your vehicle's electronic warranty.

## Quick Installation

Before you can say, "I wonder how long these very professional looking guys will take to install it", it will be in.

## Insurance Approved

Most insurers will be so impressed by your decision that they'll lower your premium if you send them a Certificate of Installation.

## National Network Coverage

Your vehicle is tracked anywhere you go in South Africa, 24/7 365 days a year and one extra day in a leap year, of course!

## Dedicated Recovery Teams

Call us 24/7 and we'll dispatch our professional recovery agents immediately.

## Free Recovery

When a real recovery is made for stolen and/or hijacked vehicles, you won't have to pay a cent!

## Confidence Checks

You're welcome to call us once a month to check that your Beame is working.

## Low Battery Alert

Your Beame has a 3-year battery life. When your unit battery runs low, you will be notified.

## Lifetime Warranty\*

We'll even install a new Beame when yours needs replacement - FREE OF CHARGE!

## Smart App

Our app now makes it even easier for you to test your unit and access all Beame's services. Simply sorted.

Beame can be installed in pretty much anything with a number plate.
